

## PARENT PARTICIPATION POLICY

At Cornerstone, we want you, the primary instructor, to play an active part in your child's co-op experience, as well as provide a safe and efficient learning environment in each classroom. With that in mind, we are implementing the following MANDATORY PARTICIPATION policy:

If enrolling a student in any class that requires a helper, parents must commit to serving in one class period per semester, per student in the class.

- **Example 1:** Parent enrolls student in all 3 afternoon classes. In this case, the parent (or parent-designated adult) is required to serve in each of their student's classes a minimum of one time per semester. (3 times, 3 hours)
- **Example 2:** Parent enrolls 2 students in 3 afternoon classes. In this case, the parent (or parent-designated adult) is required to serve one time per semester in each student's class one time per semester. (6 times, 6 hours)
- **Example 3:** Parent enrolls student in a morning core class. In this case, the parent (or parent-designated adult) must serve a minimum of one 3-hour class period per semester, per student. (1 time, 3 hours)
- **Example 4:** Parent enrolls a student in all available morning and afternoon classes. Parent (or parent-designated adult) must serve once in each class, per student. (3 hours morning, 3 hours afternoon, per student.)

**\*Childcare IS PROVIDED for parents with little ones while they serve.**

\*It is the parents' responsibility to find a sub if unable to serve on the day assigned to them.

\*A link to sign up for a slot is on the CCA website.
